### More Than a Pretty Smile

Taking good care of your teeth and mouth is an important part of a healthy lifestyle. Practicing proper dental hygiene, like brushing, flossing, and avoiding sugary foods and drinks, is only part of the oral health equation. Visiting a dentist on a regular basis is also very important.

As an active employee of City Of Magnolia, you have access to a dental insurance policy from United of Omaha Life Insurance Company.

You have so many reasons to keep your teeth and gums healthy. Ongoing dental care will help you maintain the best possible oral – and overall – health and well-being.

Coverage guidelines and benefits are outlined in the chart below.

The plan pays the percentage shown after the deductible is satisfied up to the maximum. Additional information about the benefits and covered services of this plan will be included in the certificate booklet, which you will receive after enrolling for this coverage. Please contact your employer or benefits administrator if you have questions prior to enrolling.

The plan provides the same coverage levels for both In-Network and Out-Network services. However, because In-Network providers offer their services at predetermined fees, out-of-pocket expenses may be lower for plan members when receiving covered services from an In-Network provider.

The Maximum Allowance for Out-Network Services is based on the 90th Percentile as determined by Mutual of Omaha. Charges that exceed the Maximum Allowance (as defined in the certificate booklet) for any covered dental service are not considered.
